

**Yes...**  
**I would be  
Pleased to  
Support  
NEW JOBS**

**The New Jersey Organization  
for a Better State  
(NEW JOBS)**

is the State business community's largest  
and most effective  
political action committee.

**NEW JOBS**

is a bi-partisan organization  
that supports pro-business candidates  
for the State Legislature  
who will work with the employer  
community to

***lower the cost of doing business,  
build a better business climate,  
and create jobs.***

Most individuals and corporations in New Jersey can make political contributions. Certain regulated industries such as financial institutions and utilities are prohibited from making corporate political contributions. Individuals and Political Action Committees from these organizations are permitted to contribute. Casinos and their employees are prohibited from making political contributions. Contributions and gifts to NEW JOBS are not deductible as charitable contributions.
